Documents you may receive

In addition to this FSG, you will receive other important documents. Please refer to the following definitions for a description of the documents you are likely to receive:

Statement of Advice (SOA)

If you request that we provide you with personal financial advice, we will provide you with a SOA. We must give the SOA to you the first time we provide you with personal advice about each type of financial product or where there has been a significant change in your circumstances.

We must give you the SOA before we provide any services recommended in the SOA. We are under a legal obligation to ensure that the advice and recommendations we provide to you are in your best interests.

The SOA will include the following information:

- the nature of the advice given and the grounds for our recommendations;
- information about fees and commissions that may be received for the advice; and
- any associations, relationships or interests that may influence the advice we provide.

Where the personal financial product advice relates to a basic deposit product, non-cash payment facility or travellers cheques, an SOA will not be provided.

Record of Advice (ROA)

We may also record our advice through preparing a record of advice in some circumstances instead of providing you with a SOA. If you have not been provided with the ROA, you may request a copy of it free of charge at any time within seven years after the advice was provided to you, by contacting us.

Client Service Agreement

The Client Service Agreement will be tailored to your specific requirements and outlines the benefits, services and support provided by CPS Financial Solutions Pty Ltd for you. It will provide an indication of our fees and costs associated with providing and implementing our advice.

Annual Fee Disclosure Statement (FDS)

If we enter into an ongoing fee arrangement with you, we will provide you with an annual Fee Disclosure Statement. The FDS contains information in connection with ongoing fees paid and the services you received or were entitled to receive. The FDS will be provided by us every 12 months or as otherwise permitted under the law.

Product Disclosure Statement (PDS)

The PDS outlines the key features, significant benefits, risks and fees associated with the financial product. If we make a recommendation on certain financial products (other than securities) or arrange the issue of a financial product, you will receive a PDS.

How can you provide us with instructions?

You can give us instructions in writing, by phone, email or any other means that we agree with you from time to time.

Who do we act for?

Authorised Representatives provide financial services on behalf of the Licensee. In providing those financial services, the Licensee acts on its own behalf. The Licensee is not aligned with any product issuer or re-seller.
